The Pembina Rec-Plex is a multi function facility. The building is owned by the Yellowhead County and operated by the Pembina Ag. Society. PARS has a very good relationship with the Yellowhead County.

We are known as the cleanest Arena in the west and we have zero tolerance of drugs and alcohol.

- The skating surface is 200'x85',
- The seating capacity of 700
- The fitness room has state of the art equipment
- The small riding Arena (150'x 50') meets many needs of our 4H Clubs and other agricultural oriented organizations in our community.

The Arena Manager and staff take pride in their facility. We try to keep clean and safe for your kids. We offer friendly and courteous service.

The Pembina Agricultural & Recreational Society is associated with and pays membership to the Alberta Association of Ag. Societies, Alberta Recreational Facility Personal and to our local Chamber of Commerce.
