Evansburg Arena found that there was a need in the community to incorporate a gym. We applied to the Gaming Commission for a grant through the Lottery board. We received a matching grant of \$23,000.00. PARS bought the best that money could buy and had our grand opening in September 2001. We haven't looked back. PARS is still improving our gym each year with new equipment. If you haven't been to the gym lately, come and have a look. Our gym is clean, affordable and the rates are fair.

Come check out our fabulous fitness center!
